

# SAILOR RUNNERS WIN HOT MILITARY RELAY

Seventy-first Team Hard By in  
Feature of Seventh's  
Annual Meet.

## FREAK EVENT RECORDS SET

King Does It in Obstacle  
Company E in Three  
Man Roller Relay.

The time honored Seventh Regiment games were held in the armory at Sixty-eighth street and Park avenue last night. Though it was the sixth annual revival of the athletic contests they were started in a new setting provided by spacious galleries that accommodated 2,800 persons—more than double the number that could be seated under ordinary conditions. This did away with the prominence, one of the features of these games, but it did not prevent the attendance of a large crowd of fashionable who were entertained after the games in the various company rooms.

All the events were confined to the athletic talent of the Seventh with the exception of the one relay which handed the crown to the National Guard. This was a thriller with the home resting with the Second Naval Battalion. After the first relay the sailors held the lead throughout, but they were threatened in the third relay, he made up twenty-five yards and turned the battle over to Patton for the final quarter with only three yards to gain on Harry Ottman, who was the anchor for the Second Battalion. Patton, on the lead down a little in the first furlong, but Ottman ran game and true to the end and won by two yards.

As usual there were many oddities on the program and many of the track events now among records were made. C. N. King of Company F won the 220 yard obstacle race in 52 seconds, from a clipped a second and three tenths from the time made by E. Volkmann in December, 1912. The other record was placed to the credit of the three man team of Company E, which negotiated 245 yards on roller skates in 5 minutes 12.25 seconds, displacing the figures of 5:17.45. C. W. Burman of Company A had the record breaking box in his corner and though allowed two feet handicap in the 50 yard race, won back to victory in the hope of eclipsing the mark of 4:40 seconds. The handicapper's estimate of Burman proved correct for he was beaten out by L. S. Richmond, Company E, who started from 7 feet and won in 4:45 seconds.

Company E galloped off with the point for all the events contested, with 45 points. The other companies scored as follows: B, 29; C, 28; M, 15; G, 10; K, 8; N, 4. The trophy for military events also went to Company E, with 22 points, the closest competitor being Company B, with 9.

## TWO HITS OFF EYES.

Brown Pitcher in Midseason Style  
Works Against Tufts.

MEADOWS, Mass., April 5.—Brown shut out Tufts, 2 to 0, this afternoon. Eyres, the Brown pitcher, went the entire nine innings in midseason form. The Tufts batters were helpless before him and in six of the nine innings they went out in order. Not a Tufts man reached second base.

For the first six innings the game was a pitcher's battle between the southpaws Eyres and Kreppe. After the sixth inning Coach Cannell took Kreppe out and put in Snow, the regular twirler of last season. Snow was batted for five safeties in the seventh inning and with one error the rally netted the Providence team three runs.

## McCLELLAND'S RUSH WINS IT.

Crescent A. C. Star Scores Goal That  
Beats Yale Soccer Team.

NEW HAVEN, Conn., April 5.—The Crescent Athletic Club of Brooklyn won a soccer football game from Yale here today, 4 to 3, with McClelland, the star forward of the visitors, saving the day for his team in the last three minutes of play. The spectacular run of half the length of the field secured the decisive goal. Up to the second half he had been placed at back because of an injury to his leg.

Yale's defensive work showed up well, especially at the start, when the period closed with a 2 to 0 score in favor of the Blue. The Crescent's attack was weak in the early part of the game, but toward the finish they took the decisive brace.

# WYCKOFF BEST OF SUNDAY SCHOLARS

Heights Presbyterian Church  
Team Takes League Ath-  
letic Championship.

## BEARDSLEY'S MILE IS GOOD

Time Fast and Performance  
Creditable, as Winner  
Started From Scratch.

The team from the Wyckoff Heights Presbyterian Church won the indoor championship trophy of the Sunday School Athletic League Brooklyn by scoring 18 points in the annual meet at the Second Naval Battalion Armory last night. The Fourth Avenue Methodist Episcopal athletes accumulated a like number of points, but the provisions governing the Abraham & Straus trophy are that the cup shall go to the team having the largest total of points at the end of the season. Wyckoff Heights had a start of 15 and the previous score of the Fourth Avenue school amounted only to 7.

B. Beardsley of Central Congregational ran an exceptional mile. Starting from scratch against a large field which had received big allowances Beardsley set his pace from the start and pulled down one speed left for the last lap and beat out G. Fredericks, Jr., 60 yards, ending strongly in 4 minutes 40.5 seconds.

E. Myers, who has been prominent in the league games for the last two seasons, won a title in the 50 yard dash against a good field. The final heat was run over again because one of the entrants through an error was not permitted to start. He failed to place, however, and the others finished in the same order. The time was cut down by a fifth of a second in the last effort. R. A. Libbet was second and L. Moskin third. Myers also won the 176 yard dash.

The furlong was captured by C. K. Evans of the Fourth Avenue Methodist Episcopal, who made the rounds in 25.15 seconds. He had a close rival in J. E. Gruber of the Hanson Place M. E. Some other names familiar in Brooklyn athletics appeared in the Junior handicap quarter mile. The runner from Borough Park with a composition of 26 yards, got to the worsted a shade ahead of R. Chan, the veteran Wyckoff Heights athlete.
